**Stephan Bugbilla**

Email: sbugbilla@gmail.com | Phone: 0201457850

Location: Frafraha, Accra, Ghana

## Objective

A motivated and aspiring computer science student with hands-on experience in mobile application development using Flutter, website development with HTML, CSS, and JavaScript, and chatbot creation using Google's Gemini API. Seeking an internship opportunity to apply my technical skills and gain industry exposure.

## Education

**Bachelor of Science in Computer Science**

*Central University, Accra*

2022 - Present (Level 200)

Relevant Courses:

- Database Concepts I
- System Analysis and Design
- Open Source and System Administration

## Skills

- **Programming Languages**: Dart (Proficient), Java (Beginner), HTML/CSS (Intermediate)
- **Mobile Development**: Flutter framework
- **Web Development**: HTML, CSS, JavaScript
- **APIs**: Email API integration, Google Gemini API (chatbot creation)
- **Tools**: VS Code

## Projects

### 1. Mobile Application Development

*Developed a mobile app using Flutter and Dart*

- Built the app using VS Code, handling UI and functionality.

### 2. Website Development

*Developed a responsive website using HTML, CSS, and JavaScript*

- Integrated an email API for email handling.
- Focused on clean, responsive design for enhanced user experience.

### 3. Chatbot Creation

*Created a chatbot using Google's Gemini API*

- Designed a functional chatbot interface.
- Programmed conversation flow using natural language processing.

## Experience

*Seeking first internship experience*
